My Patients are respectfully informed that during my side European tour I visited the celebrated Ocnins and Auristo, Jacob, Wide, Eowman, Waton, Tsysbee, Yearley, Alexander, Demarres, Sichel, McKennie and others, and acquired a therough knowledge of their practice and the recent remerkable discoveries in the treatment of diseases of the Ey and EAR. I believe there is now nothing known to the profession in either hemisphere with which I am not perfectly familiar, and trust that it will not be deemed subscening after twenty years' extensive practice and experience (principally in this city) to amounce, for the benefit of strangers, that I feel confident that I treat the diseases of those delicate organs as milifully and successfully as my man living and have effected and am effecting the most remarkable curse, restoring sight to the blind and bearing to the deaf in many cases hitherto processored hopeless.

A New Book by the unther of " Fashion and Famine," which attained in three months a sale of 40,000 copies, and which was republished in Leipsic, St. Petersburg, Vienna, and in three editions in London, is a matter well calculated to excite more than

THE OLD HOMESTEAD, while not so trugic and intense in its character as "Fashion and Famine," is, if anything, or profounder interest, and appeals with greater force to the sym profounder interest, and appears with greater to the support of the profile of the reader. The story opens in the city of New York, where there are many scenes of pathos, suffering, and tragic power; but as the book progresses, the clouds dispaces; we are introduced to the Old Homestead among the Catakills of the Hudson, where we are presented with some of the most deligh Mrs. Stephens displays in many places in this book a humo that rivale that of Dickens, and a dramatic force, grasp e thought, power of expression, and vividness of descrip which she is peculiarly the master.
